

BADGEPASS™

BENEFITS OF ACCESS CONTROL BADGES

How can **Access Control** help your organization?

Secure and accurate audit trail of all access throughout the facility.

Customized schedules for various cardholders.

Ability to lockdown in event of emergency.

Other benefits to **Access Control** badges include:

DATA INTEGRATION

Integration with your HR/Payroll system or Active Directory, allowing for easier card issuance.

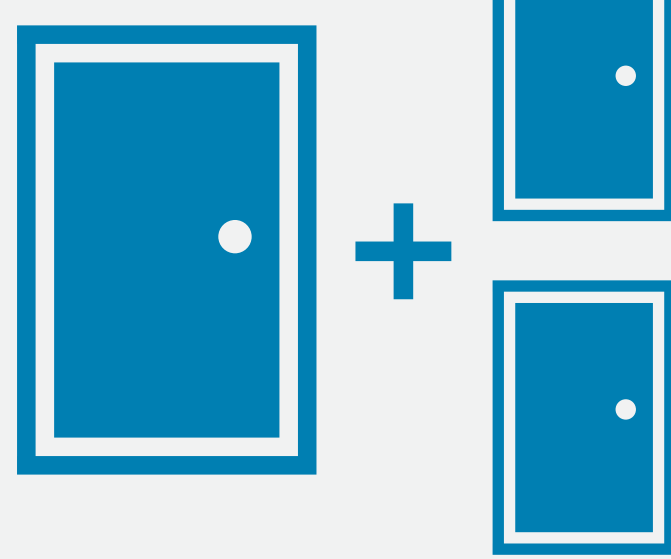

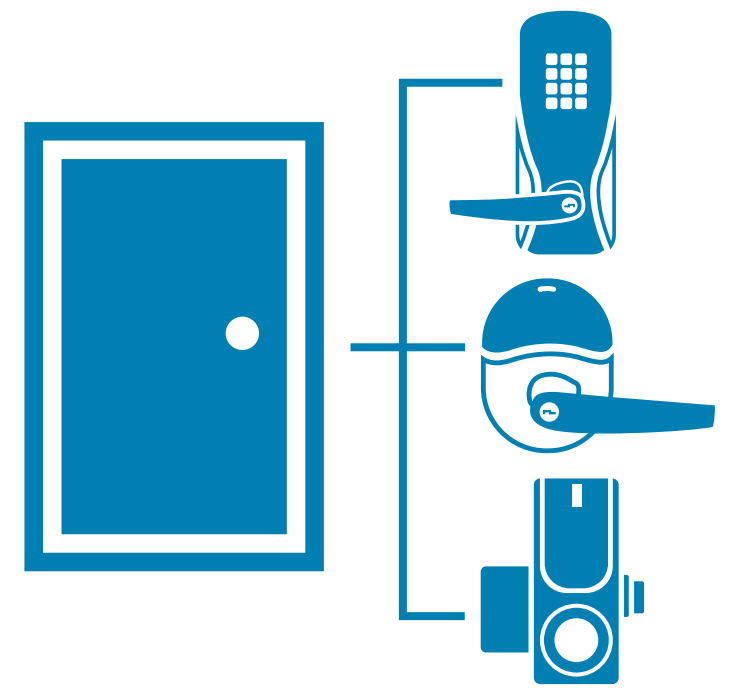

SIMPLIFIED PROCESS

Automatic activation of badge on print. Ability to easily revoke access of lost and stolen cards.

FLEXIBILITY

Variety of door locks and hardware available.

UNLIMITED SCALABILITY

Add as many doors and cardholders as you need.

REPORTING

Web-based reporting for simplified door monitoring.

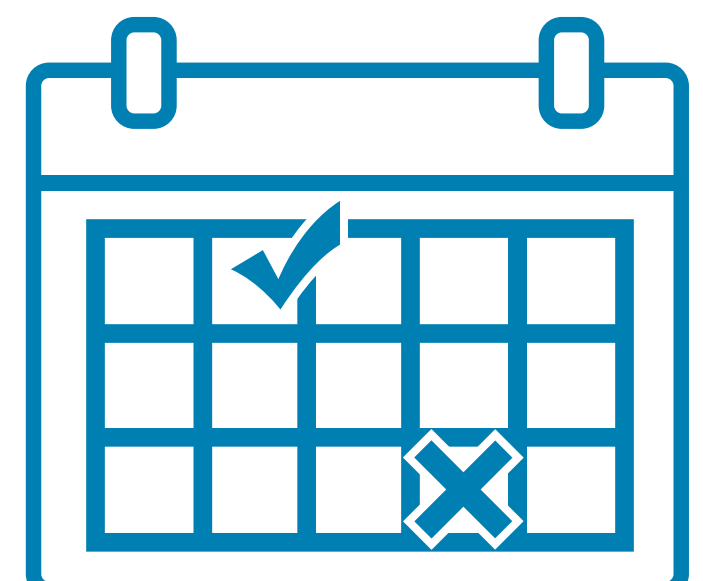

VISITOR ACCESS

Ability to grant temporary access to visitors and guests.

BETTER SECURITY

Set activation and expiration dates of badges. Have confidence knowing only approved cardholders can access doors.
